Celebrating Our 21st Year!

May 4 & 5, 2013
Morrison County Fairgrounds
Little Falls, MN

Featuring:

Industrial Tractors & Equipment - All Makes & Models

John Deere Garden Tractors - All Models

Polaris Snowmobiles, Homelite, Sears, Wards and all others built by Polaris
Garden Tractors &
Garden Tractor Plowing

Featuring John Deere Garden Tractors
Garden Tractor Displays & Plowing
Welcome Garden Tractor Collectors

Garden Tractor Collectors are invited to bring their antique Garden Tractors for display as part of our feature at our 2013 Field Days. Tractors can be restored or unrestored. We are looking for garden tractor vendors to set up in our Swap Meet area or to bring items to sell at our Auction on Saturday. This year, we will featuring the John Deere Garden Tractors. Exhibitor plaques to all who display at the show. Exhibitors are also invited to take their tractors and plows out to the field and do some plowing in a special area for the garden tractors. Info:

**AUCTION**

**SATURDAY, MAY 4, 2013**
Starting at **10:00 AM SHARP**

Morrison County Fairgrounds
Little Falls, MN

Directions: 1 mile east of Little Falls, MN on Hwy 27 to Cty Rd 43 (Hawthorn Rd) left 1 mile

Held in Conjunction With:
THE GREATER MINNESOTA TWO-CYLINDER CLUB
21st Annual Field Days, Swap Meet, Flea Market, Toy & Craft Show

**ITEMS WANTED**

Antique & Collectible Tractors, Machinery, Snowmobiles, Gas Engines,
Parts & Toys, Antiques & Collectibles of This Nature
No household items or appliances

This year the Greater Minnesota Two-Cylinder Club will be featuring garden tractors and snowmobiles along with their tractor features so we should see a lot of collectors attending the show. If you have garden tractors, snowmobiles, related parts and memorabilia, this will be a good auction for you to sell your items at. For best results, list your items early enough to be on the poster. Let us know by April 2 the items you have to sell. We also welcome pictures for the auction poster.

Thanks, Dave & Al

1st, 2nd & 3rd Place Trophies

King of the Hill Classes
4500, 5500 & 6500
1st Place Trophies

Division II NATPA Pulling Rules (Over for rules)
Antique Tractor Pull
Division II NATPA Pulling Rules

Division II is designed for competitive pullers near stock tractors, piston kits, etc.

TRACTOR MUST BE 40 YEARS OLD OR OLDER

Weight Classes: 3200, 3600, 4200, 4700, 5200, 6000, 6500, 7500, 8500, 9500, 10500, 11500 lbs
4500, 5500 & 6500 King of the Hill

1. GENERAL RULES: These rules apply to all tractors.

2. ENTRY: A tractor may pull in the next higher class if the tractor meets the rules, but tractors cannot drop to a lower class. Class is determined by the weight of the tractor.

3. RIMS AND WHEELS: Tires must be on rim width, not exceeding tire manufacturers recommended width. Pressed steel wheels are allowed front and rear. No chrome or aluminum wheels allowed.

4. SPEED LIMIT: 4 MPH. Not allowed to shift gears – torque left to your own discretion.

5. WEIGHTS: Suitcase weights and custom made weight brackets are permitted, front weight bracket and weights to extend no farther than 11 feet from center of rear axle. Weights may not extend behind rear tires.

6. ENGINE: Stock block, naturally aspirated. Exceptions: Oliver 99 GM, etc. Stock head, manifold, and carburetor (by part number). If an external part is not in the parts book or replacement parts book for that specific tractor it cannot be used. Exception: Straight exhaust pipe allowed, air filter must be used although it may be of any type. RPM – 110% of factory high idle specification (RPM used is the latest model rpm for that make of tractor). No electronic ignitions, (Exception: an electronic pickup inside the original stock distributor or magneto can be used, but distribution or magneto must maintain original appearance). No square coils, MSD coils or chrome coils allowed.

7. HITCHES: Minimum 18 back from the center of the rear axle and a maximum of 20” drawbar height. Hitch material cannot be thinner than ¾” and not thicker than 1.25”. Hitch has to have a 3” hole with 1” material thickness around the hole or a straight clevis bolted or pinned tightly to the drawbar with a minimum of 2.5” hole. Top of hitch adjuster cannot be above center line of axle or hub. Hitches and drawbars must be stationary in all directions. Hitch must be easily accessible (sled operator’s discretion).

8. APPEARANCE: Tractors must maintain original stock appearance. If a part is not found in the manufacturer’s parts book, it cannot be used. No extra accessories allowed with the exception of weight brackets, hang-on weights, wheelie bars, wheels, rims, bolt on hubs, draw bar, muffler and air cleaner. Battery boxes may be moved from stock mounting location. No aluminum allowed except for weight brackets and wheelie bars. No chrome allowed except for exhaust pipes. Homemade side-shields are not allowed. Exception: factory side-shields such as on Olivers. No homemade rear end clovers allowed. All guards, shrouds, covers, and shields shall be in place as from the factory and be made of original material (steel or iron) and near like factory as possible. Seat must be an original seat or a manufactured seat made for a farm tractor placed with stock mountings (such as TSC). Alternators and straight pipes are allowed.

9. Any items falling off of tractor during pull will result in disqualification.

10. SPONSORS: Advertising plaques may be put on tractor as long as it does not interfere with teching of tractor.

VINTAGE SNOWMOBILES

Shown here are a few pictures of fellas that have been a big part of snowmobile history. They and others like them didn’t give up on this popular sport. You can attend a vintage snowmobile show on almost every weekend during the fall through spring season. Thanks to all lovers of snow machines for keeping the vintage snowmobile alive!

JERRY EVE & HIS WIFE PAT from Forsyth, Montana attended many snowmobile shows and exhibited at our 2011 show. Jerry had a wealth of snow machine knowledge and shared it willingly to any snowmobile enthusiast. He enjoyed the hunt for sleds as a way of making new friends. Jerry passed away this past year. We will miss not only his smile but especially the stories.

DARV JAHNKE of Detroit Lakes, MN is shown here on his 1974 John Deere 300. He raced the JD in the 1974 St. Paul to Winnipeg race (race was reversed that year). The Arctic Cat on his right is a 1972 EXT that he raced in the I500 in 1972. The Winnipeg/St.Paul race was usually held the last week in January and always proved to be the coldest week of the winter. That year the temperature was -47. In 1973 Darv raced a ‘73 Polaris. Darv started racing in 1969 and has been racing ever since.

TOM ROWLAND, Ogilvie, MN brought the Arctic Cat 141D that his Dad, Wayne ran in the 1966 Winnipeg, Canada to St. Paul, MN I500 race.
Thank You!

A huge "thank you" to all of the folks that have submitted ads for our 21st Annual Field Days, Swap Meet & Auction brochure. We appreciate their year around support to our organization.
