

March 2026

Dear potential Greater Minnesota Field Day Swapper

Welcome from us in 2026! We are excited to announce our 34th annual Greater Minnesota Two-Cylinder Club Field Days which will be held Friday May 1st – Sunday May 3rd this year at the Morrison County Fairgrounds just East of Little Falls, MN.

The 2026 show will kick off at noon on Friday with that evening bringing the farmstock tractor pull and Saturday at noon will be the antique tractor pull. Pedal tractor pull, tractor skill contests, shelling, shredding, baling and grinding demonstrations will occur throughout the weekend as well as different silent auction items each day. Our features this year include John Deere Generation II Series, including all brands (1972-1984).

Now be ready for the twists, 1) We will be bringing back the live auction conducted by Keith Sharer on Saturday morning. 2) Due to lack of available chair people and suggestions from the club we will not be collecting flea market vendor fees in 2026. Instead of prepaying by the space, each attendee will purchase a one-time weekend wrist band for \$25 that will get you through the gate each day of the show. Spaces will still be marked out in the same sizes and orientations as in previous years but there is no limit to the number of spaces you can have. Spots will be first come first served so if you desire the same spaces, try to get there early. Your continued patience is required as we find a way to attract new vendors and fill our space for guests to purchase your items

As in previous years we will be hosting both our outdoor and indoor swap areas. Our contacts are as follows

Bring the necessary information to complete the OCC/ST3 forms once you check in and if you request, we can still write receipts for the entry fees paid if your business needs.

We would also appreciate it if all vendors would donate an item from their wares to be used as a silent auction item. Please consider donating, these items can be left at the registration stand or give them to Garrett, Al, or Betty and we will get them to the appropriate place. Thank you in advance for your generosity. We look forward to seeing and working with you for another successful weekend for all our vendors and shoppers!

If you prefer not to receive this notice any longer, please let us know ASAP so that we can keep our mailing list current. Also, if you know of someone who would like to be added to our mailing list, please let us know. We welcome everyone to share the fun of our Field Days

Sincerely, *Garrett, Al, & Betty*
